(Snow Day will be Sunday, February 28)

For over 60 years, Cleveland All-Breed Training Club has helped people train their dogs. We welcome all breeds of dogs including mixed breeds. Our instructors are accomplished trainers who are current on the latest techniques available for effectively training your dog. Cleveland All-Breed Training Club has DOUBLED it's floor space and we would like to invite you to visit this premier training facility. We are planning a fun and informative day full of activities! Come on down and see the recently expanded facility and find out just how much fun you can have with your canine partner with a little bit of training. Many of the CABTC Instructors will be on hand to demonstrate with their dogs and answer questions. We will be running informational video presentations showing what CABTC is all about during the day.
